

International Conference on Machine Learning and Machine Intelligence (MLMI 2018)

Hanoi, Vietnam September 28–30, 2018.

ABOUT MLMI

It aims to be the premier international forum for Machine Learning and Machine Intelligence related academics and technicians. MLMI 2018 will bring together researchers, practitioners and industry specialists to share ideas and to present up-to-date works to advance Machine Learning and Machine Intelligence technologies.

SUBMISSION

Submission Deadline Aug. 5, 2018

Submission Method Submission Link: <https://cmt3.research.microsoft.com/MLMI2018>

PUBLICATION

Accepted papers of MLMI 2018 will be published in the International Conference Proceedings (ISBN: 978-1-4503-6556-7) Series by ACM, which will be archived in the ACM Digital Library, and submitted for index by Ei Compendex and Scopus.

TOPICS (More details please click : <http://www.mlmi.net/cfp.html>)

1. Artificial neural networks
2. Association rule learning
3. Automata, logic and games
4. Bayesian networks
5. Clustering
6. Commercial software
7. Commercial software with open-source editions
8. Complex systems
9. Computational complexity
10. Computational learning theory
11. Computational linguistics
12. Computer animation
13. Computer science
14. Computer system
15. Concurrent algorithms and data structures
16. Data mining
17. Decision tree learning
18. Deep Learning
19. Design and analysis of algorithms
20. Genetic algorithms
21. Inductive logic programming
22. Intelligent systems
23. Lambda calculus and types
24. Logic and proof
